

INSTITUTIONAL LOSS CONTROL MINOR

Program Description

This minor in Institutional Loss Control will provide a basic knowledge of Loss Control concepts and skills. These concepts include general threats (Loss Control) as well as specific threats (Arson Investigation, Hazardous Materials and Critical Infrastructure Protection). This minor is for students who will be seeking employment across a broad spectrum of occupations throughout public and private sectors. This minor is suitable for students pursuing bachelor's degrees in Criminal Justice, Accounting, Business, Chemistry, Computer Science, Environmental Sciences, Management, Political Science, and Public Administration.
