

# FINE ARTS (FINE)

---

**FINE 405 Independent Project 3 Credit Hours (3,0)**

Under the direction of an appropriate supervisor, the student will design and execute a scholarly (academic/creative) or practical (business/management) project related to an artistic discipline. The project will culminate in a relevant performance, works of art, composition, paper, presentation, or other appropriate product. This course may be repeated once for a total of six credits.

**Prerequisite(s):** Instructor approval
