

REGIONAL CENTERS

Lake Superior State University offers bachelor's degree completion programs at our regional centers that build on your education from your community college. This approach allows you to complete your degree at a reasonable cost and close to home.

All degrees require completion of the general education requirements. For students transferring from a Michigan community college who have earned MACRAO or MTA (Michigan Transfer Agreement), the general education requirements are considered satisfied by LSSU.

We are proud of the high-quality instruction and the personal attention LSSU offers. Our small class sizes, experienced faculty and the ability to pursue your educational dreams close to home are what the LSSU regional centers are all about.

Stop by one of our regional centers for assistance in planning your educational goals. We can help answer your questions in areas of admissions requirements, scholarship/financial aid, academics, course rotations, registration and more.
